MEDITATION - GRIEF

*Grief cannot be Shared,
for it is mine alone.*

*Grief is a dying within me,
a great emptiness, a frightening void.
It is loneliness,*

*a sickening sorrow at night,
an awakening a terrible dread.
Another's words do not help.*

*A reasoned argument explains little
for having tried too much.*

Silence is the best response to another's grief

*Not the silence that is a pause
in speech.*

*awkward and unwanted,
but one that unites heart to heart.*
