BEREAVEMENT MEDIATION

Everlasting God, help us to realis more and more that time and space are not the measure of things.

Though our eyes do not see, teach us to understand the souls of our dear ones are not just cut off from us. Love does not die, and the truth is stronger than the grave. Just as our affection and memory of the good they did unite us with them at this time, so may our trust in you lead us to the vision of the life that knows no death.

O God of our strength, in our weakness help us. In our sorrow comfort us. In our confusion, guide us. Without you; our lives are nothing; with you there is fullness of life for ever more. May the words of my mouth and the meditation of my heart be acceptable to you,
O Lord, my rock and Redeemer.
